Dear Pat,

The Children and Family Council, the Governor's state advisory group to delinquency prevention, has been extraordinarily honored and gifted with the membership of Steve Coulman for the past seventeen years. He has been an active, wise leader in this advisory group's effort to support prevention efforts, safety, and well-being of children, youth and families in VT. He has been a faithful and capable member always quick to speak truth, guided by common sense and what's best for kids. I'm sure you know all that.

Steve has just retired from the Council and the members of that group had an opportunity to say good-bye to him yesterday. They have offered this heartfelt donation to the Rutland Foster Parent Association in honor of Steve.

We thank you and all foster parents for what you do every day.

For the CFCPP,
Theresa Lay-Sleeper, juvenile justice specialist
